

## Nova Color UPS Service to Canada

We will be glad to calculate shipping costs for you.

Rates include door-to-door delivery.

Charges for customs clearance are not included. For standard shipments to Canada, UPS provides Customs Brokerage services. Brokerage charges, duties and taxes will be billed to the importer.

Rates are based on the total weight of all the packages in a shipment.

\*UPS adds fluctuating fuel surcharges to their published rates

\*\* Zone 71 UPS Expedited Service is the only service available to the Northwest and Yukon Territories. An extended area surcharge may apply.

Special rates are available for shipments over 150 pounds.

Call for rates on other UPS services.

To calculate the weight of your order use Chart 1.
